

INFINITE CIRCLE OF LIGHT

I AM an Infinite Circle of Light.
I AM Ascended and Free.
I AM inclusive of all life,
living free in the Light.
I AM THAT I AM

From within this Infinite Circle of Light:
The Gathering of Ascended Humanity,
In union with the Royal Kingdoms of Angels and Elementals,
Through the cohesive Power of Divine Love
uniting all Life in its Ascended State,
Now emerges into Humanity as the Theme and
Thoughtform of this Sacred Solar Year 2018:

*SOLAR YEAR THOUGHTFORM FOR
2018*

THE GREAT SOLAR DISC

SPIRALING CIRCLES OF SACRED FIRE WITHIN
VIBRANT SPHERES OF RADIANT LIGHT!

¹The Thoughtform of a Solar Year has many dimensions that express across multiple Spheres and Realms of Light. It is not easily drawn on a two dimensional page or even captured in a three dimensional image. It functions beyond the restrictions of time and space. If the outer mind struggles to see the Thoughtform in 'one picture', it is precisely because it expresses across various Dimensions, Realms and Spheres of Divine Life ...something our Consciousness is EXPANDING into. Here we invoke the Multi-dimensional Crystal Vision of the Elohim. During this process, it may be best to focus on one or two aspects of the Thoughtform, until it flows into *continuous oneness* within the Light Server's Consciousness. We visualize it most completely by feeling *we abide at its center* and it functions within, through and around us ...as well as seeing and feeling ourselves *as every single aspect of the Thoughtform* ...until our Consciousness captures its multi-dimensional fullness. Each month we will explore the multi-dimensionality of each aspect of the Thoughtform for greater understanding.

The **Great Solar Disc** represents the **Divine Alignment of every Sun**: from the *Permanent Atom* of all creation on an atomic level ...to every *Sun of the Sun* / Solar Christ Self on an individual level ...to the *Sun of Earth* / Star of Spiritual Freedom on a planetary level ...to the *Sun of our Solar System*, Helios and Vesta ...to the *Central Sun of this Galaxy*, Alpha and Omega ...and further onto the *Great Central Sun* Elohae and Eloha! This **Divine Alignment brings Divine Order** ...preparing for the Great Cosmic Inbreath of *all life closer to its Source!*

THAT WHICH IS NEW FOR 2018

The **ONE**
...becomes the **THREE**
...then becomes the **SEVEN**
...further becomes the **TWELVE**
...becoming the **GREAT SOLAR DISC**
and the **ASCENSION OF ALL HUMANITY!**

I AM the One Eternal Flame!
expressing through *the Three-fold Flame*;
expressing through *the Seven Cosmic Rays*;
expressing through *the Twelve Aspects of Deity*;
manifesting as the *Star of Spiritual Freedom*;
manifesting *the Ascension of Humanity*;
manifesting *the Great Solar Disc!*

The **ONE** (Universal I AM) ...becomes the **THREE** (Three-fold Flame of Creation, the Holy Triumvirate at Shamballa) ...becomes the **SEVEN** (Seven Suns of Alpha and Omega, the Seven Rays of the Mighty I AM Presence, the Seven Chakras of Divine Humanity, the Holy Christ Self) ...becomes the **TWELVE** (the Twelve Aspects of the Deity, the Twelve Houses of the Sun, the Twelve Solar Logi, the Twelve-fold Solar DNA of the White Fire Being anchored through Ascended and Free Humanity as the twelve Chakras of the Solar Christ Self) ...becomes the **ONE** Great Solar Disc ...the Star of Spiritual Freedom ...Ascended and Free Humanity on her Ascended and Free Earth!

THAT WHICH REMAINS CONSTANT

The ***Three-fold Flame of Creation*** and its Forcefield of *constant Ascension and Divine co-creation ...for all life existing 'in form'* within the ***Pagoda of Seven White Ascension Doves***. This remains supported by the ***Mystic Ring of Violet Fire*** and its Forcefield of Spiritual Freedom ...as well as our Ascended and Free ***Realms of Precipitation, Causation and Co-creation*** ...a Forcefield of Cause from which *our personal Temples operate ...as Light Servers embodied to change the world!*

THAT WHICH REMAINS CONSTANT BUT NOW IN HIGHER FREQUENCY OF MULTI-DIMENSIONAL REALITY

All Cosmic Momentum sustained over the past several years:

Every aspect of recent Solar Year Thoughtforms ...now manifesting their Higher Frequency, as Multi-Dimensional Spheres and Realms of Light ...interwoven circular activities, spinning vertically and horizontally, expanding outward and folding inward ...across many Dimensions ...all within the Great Solar Disc.

&

The Vehicle of the Manu, and the transition of the Root Races ...now expressing as the ***Holy Breath of the Great Solar Disc***.

As the Cosmic Forcefield of the Great Solar Disc *breathes in*, the Fourth and Fifth Root Races are absorbed closer to their Source (***Beloved Manus Himalaya and Vaisasvatu***), returning to Oneness Consciousness within the Causal Body Spheres of Earth's Silent Watcher, Beloved Lady Immaculata.

When the Great Solar Disc *breathes out*, the Sixth and Seventh Root Races *project farther outward*, manifesting more of their Glory on New Earth, *expanding the influence of their Manus* into daily life, as the Frequencies of Spiritual Freedom: ***Beloved God Meru***, Hierarchy of the Major Focus of God Illumination for this New Age, (where

lies a beautiful expression of the Great Solar Disc under Lake Titicaca's protective waters) and ***Beloved Lord Saithru***, the Great Divine Director!

&

The Mystic Ring of Violet Fire and the Ascended and Free Realms of Precipitation, Causation and Co-creation.

The Mystic Ring of Violet Fire anchors and expands our Celestial Nature of the Central Sun, from whence our Original Innocence and Beauty came ...through the *White Fire Being's Celestial Presence* there ...now expanding through every Solar Christ Self within Humanity. The White Fire Being is now situated within the Twelve Houses of the Sun around the periphery of the Great Solar Disc. The Ascended and Free Realms (housing *our personal Temples* of Precipitation, Causation and Co-creation) now manifest in the Circles and Spheres of the Seven Rays within the Great Solar Disc.

THEME OF 2018

I AM Alpha and Omega. I AM 'Sun of the Sun' in my own True Identity! And I welcome the 'Suns of the Sun' of Ascended and Free Humanity ...*who have arisen ...and now gather* to greet me for this Solar Year ...*Together, standing in the Light!* Together, I AM an Eternal Flame and I AM its Infinite Radiant ***SUN!*** All Solar Christ Selves now appear before me as Sun Temples anchored on Earth ...as in the Ancient and Noble example of Beloved Kenich Ahan, Hierarchy of the Temple of the Sun!

Our 2018 Keynote is *simplicity* ...a simple concept of a living, breathing, functioning PORTAL into Humanity's higher Understanding and Illumination ...a ***living Wisdom***, of ***Divine Love*** and its ***God Power*** ...to raise Humanity into her Divine Potential! The Great Solar Disc represents the ancient power of Humanity to *see through human-ego illusion ...and well past it* into the Higher Frequency Realms of Light ...into the Glory of our True Identity. This ***God Illumination and Empowerment*** is *invoked forth from Humanity* through her *inherent, innate, essential nature of Mercy, Compassion and Forgiveness* ...now focused on the very karmic

illusion that empowers her to 'see higher' & 'seek higher'. During this Solar Year of Divine Opportunity, our spiritual practice will include the Wisdom that it is ego whose little voice tells us what is wrong and imbalanced ...whereas it is the Solar Christ Self that tells us, with the *vibrant Voice of the Great I AM*, of our *innocence*, our *beauty*, and our tremendous *ability to love life free* ...both of ourselves (our personal Ascension) and of the entire world (the Ascension of the world). Therefore, as we transmute ego, let us listen for the clear Voice of Harmony and Balance ...and nothing less. This is our spiritual discipline. We truly become empty of self ...and thus, free of the imbalanced, negative feelings of ancient ego-illusion, in its 'last throws of influence'.

This spiritual practice is a *natural Invocation of Compassion*, which comes with the *full force of the Seventh Ray Dispensation of Spiritual Freedom*. Our merciful prayer is for the injured, *innocent Divine Light* of creation trapped within karmic illusion. This Solar Year Light Service opens the portal for a *clear vision of Humanity's True Identity as the I AM Race* ...as well as a *clear, tangible experience* of the thoughts, feelings and memories of our own Divine, Multi-Dimensional Reality! This **Truth** opens in a *unique way* for each one; each culture; each race; each religion. Our expanding 'global practice of Sacred Fire' brings forth an *ongoing Initiation* of Humanity. For the Great Solar Disc is a Portal for *Humanity's Mercy, Compassion and Forgiveness* and *will Initiate* the manifestation of the Dispensation of Spiritual Freedom for Earth! *It has been decreed* and; SO IT IS!

Envisioning the Great Solar Disc, we see a pulsating, thriving, living, breathing, spiraling, rotating, circular, spherical Forcefield! *We experience it tangibly*, with all our *Higher Frequency senses*. It is multi-colored, including all the Cosmic Hues; multi-musical, capturing all the Celestial Keynotes of all levels of Cosmic Suns it represents; multi-fragrant, weaving into itself all the Divine Fragrances of the Celestial Beings it represents; multi-sensory in its *Sacred Influence of Humanity's inner nature* ...towards fully *understanding and experiencing* her True Celestial Identity.

The Great Solar Disc is iridescent White Light at its center core ... surrounded by a spiraling / circular helix of the Three-fold Flame

of Shamballa's God Authority ...surrounded by a Circle or Sun of Seven Rays (expressing in many ways, including as the Seven-fold Flame of the Elohim; the Seven Chakras of embodied Holy Christ Self; and Ascended and Free Realms of Precipitation, Causation and Co-creation) ...and the outer circles / spheres of Twelve-fold Flame; seen as Twelve Suns at the periphery of the Great Solar Disc ... representing the Twelve Zodiac Temples / Qualities / Chakras of the Central Sun ...beyond which is *the One Light* of Universal I AM!

*******The Great Solar Disc is our True Identity** ...our *personal Sun of the Sun* ...now in Divine Order and in Divine Alignment with every other Sun of the Sun ...at *ever-Higher Frequencies* ... into Infinity. The Great Cosmic Inbreath requires Divine Order, an alignment of all aspects of Cosmic Reality, represented along the spectrum of the Cosmos. Thus, as an individual Sun of the Sun within the I AM Race on Earth, we also *become the Sun of Earth* with its seven Root Races (Seven Chakras); we *become Helios and Vesta* and their Seven Planets; we *become the Central Sun Alpha and Omega* and their Seven Suns; and finally, we *become the Great Central Sun* of Elohae and Eloha and their Seven Central Suns.

All of this Divine Order *is natural expression of our Eternal Flame*, and its *Infinite Radiant Light* ...currently expressing through our Seven Chakras in this embodiment. This **Sacred Reality of Humanity** is continually strengthened within this Great Solar Forcefield ... steadily coming to the fore. Together, standing in the Light, we *collectively* become the Sun of Earth, the Light of a Thousand Suns. *Individually, I AM the evolving Cosmos* ...Universal I AM unfolding perfectly, in its Divine Order and Alignment ...**right here and now through me, on Earth!**

Within the Great Solar Disc, *collectively* all 'formed life' achieves greater alignment with the Universal I AM ...allowing each one greater alignment with her own Mighty I AM Presence personally. Rather than living 'at cross purposes' with the Divine, Humanity now allows the natural **Divine Order and Purpose of the Mighty I AM Presence** into daily life ...through her unfolding Solar Christ Self. This manifests as Higher Frequency thoughts, feelings, words and deeds. And with this, Humanity now gains greater alignment *with each other*, locally and globally. *Look for this New Reality* ... beyond the 'veil of illusion' that continually seeks the attention.

Each of the Flames within the Great Solar Disc ...the One, the Three, the Seven and the Twelve ...is within us ...*is us!* The Three-fold Flame is our personal 'Eternal Flame'. It may express as various geometric designs, but for the purposes of the Great Solar Disc, it is most often seen as the circular triple-helix of Love, Wisdom and Power. Around it unfolds the Seven-fold Flame, our Holy Christ Self expressing through our seven planetary Chakras and, as the Flame of the Elohim on the forehead. Then, the Twelve-fold Flame is the Higher Frequency levels of the Central Sun and Great Central Sun ...finally reaching daily life on Earth through our True Identity. We understand and affirm: 'All Realms of Light of Universal I AM ...as well as the *world of form* ...now takes place within me. I AM the Light of the world!' And SO IT IS!

&

The *Spirit of the Twelve Solar Houses* that ring the Great Solar Disc. VISUALIZATION/ASCENSION CONCEPTS OF 2018

The Great Solar Disc is *all life accelerating rapidly, rushing forward into Cosmic Holy Spirit* ...into her Solar Consciousness! This includes the *entire life-force* in, through and around our sweet Earth ...Angels *and* Elementals *and* Humanity. Every level of life currently existing in its 'form-state' ...from the sub-atomic particles; through single cell life-forms; to complex plant and animal life; and all levels of Humanity's Consciousness ...*all life* is now spiraling upwards in Energy, Vibration and Consciousness.

This entire process is now occurring *outside the constraints of time and space*. The Great Solar Disc is an ***inner change*** / an ***inner transformation*** / an ***inner Ascension*** of Consciousness! And *I hold all life within the transformative Sacred Fires* of the Great Solar Disc to ensure this Victory! Once the 'realm of cause' is in Divine Order and Divine Alignment, the 'world of effects' on the 'outer screen of life' then follows!

The Great Solar Disc expresses this ***Cosmic Dance / Ascension Ceremony*** within its moving Circles of Eternal Flame and Spheres of Radiant Light. This Forcefield continually spirals into its center and out from its center. Mighty Cosmic Rays traversing Universal I AM, now *anchor here in the Great Solar Disc*, through the Twelve Golden Suns, into our ***Sun of Earth*** ...our ***Star of Spiritual Freedom!*** Powerful Rays across the *spectrum of Quantum State Divine Qualities* ...of the ***One; the Three; the Seven; and the Twelve*** ...from all Spheres, Realms and Dimensions of Universal

I AM ...are now anchored in this Solar Forcefield!

The Great Solar Disc expresses as brilliant colors, shapes, designs, configurations, formations and geometric Perfection Patterns. These Sacred Fires spin on *the perfect Axis* of Beloved Polaris and Magnus. This Thoughtform draws Earth and her Life-force into her intended orbit, for inclusion in the Great Cosmic Inbreath. We see Cosmic Rays spiraling *into each other* and *out from each other* ...across Multi-Dimensional Spheres of Light. The Great Solar Disc contains the tones, rhythms, melody and cadence of the Divine Sound Ray ...which ‘moves the emotional world’ of Humanity into its original Love Nature of Mercy, Compassion and Forgiveness. And finally, Celestial Fragrances representing the entire spectrum of Holy Spirit and all the sweetest smells of the Cosmos, fill our Consciousness with Celestial Memory!

The Governing God Intelligence within the Great Solar Disc will guide and direct every ‘level of formed life’ into its necessary Spiritual advancement ...so that the full inclusion of our sweet Earth in the Great Cosmic Inbreath *is assured*. Each level of the Pagoda of Seven White Ascension Doves now proceeds to its *next higher level* of Energy, Vibration and Consciousness ...everything necessary for Earth’s inclusion in the Great Cosmic Inbreath. This specific advancement is the *primary purpose* of this Solar Year!

The Great Solar Disc represents the Gathering of Ascended Humanity ...in her Ascended and Free Light Service. Here, the I AM Race is *empty of self*, expressing at the level of a Global Flame; a Forcefield of Perfection Patterns anchored into daily life! Here, Ascended and Free Light Service is *empty of time* and is an *eternal* Multi-dimensional Forcefield representing the Spiritual Hierarchy ...yet operating within Humanity as the Governing God Intelligence of Divine Love! Here, Ascended and Free Light Service is *empty of space*. Therefore, its Infinite Radiant Light reaches all areas and aspects of Humanity and the Elemental Kingdom. *Here, I AM all the world and, all the world is within me!*

The Great Solar Disc is the ***Great Plan of Creation*** in a *single Thoughtform* ...as a vision of a *Multi-dimensional, multifaceted Forcefield*. It represents the Twelve Planets of Alpha and Omega, seven of which chose to become Suns of a Solar System in their

own right when Beloved Alpha and Omega became a Central Sun. The other five Ascended Planets (with their Root Races) remained in the Causal Body Spheres around Alpha and Omega. I AM these ‘manifest’ Seven Suns, their Seven Ascended Planets and their Seven Root Races ...a unique I AM Race, each one!

The Great Solar Disc begins at its core with the clear, Infinite Light of Universal I AM. Here resides the Pure Light of our Permanent Atom. This ONE proceeds into the THREE ...the Three-fold Flame of Creation. The Three proceeds into the SEVEN ...a Sun with Seven Planets; the Seven Rays of the God Head; and the Seven Steps of Precipitation of this Solar System. The Seven become the TWELVE ...the origins of this Galaxy: a Sun with Twelve Planets and thus the Twelve Solar Logi of the Central Sun. These *Twelve Aspects of Deity* then becomes the ONE again in the clear Infinite Light of Universal I AM.

The Great Solar Disc contains the Forcefields of the TWELVE; the Forcefields of the SEVEN; the Forcefields of the THREE; and the Forcefields of the ONE ...in one Thoughtform. ***Beloved Polaris and Magnus hold the Divine Axis of this Thoughtform***: from the Great Central Sun; through the Central Sun (the Triple-Helix Axis of Alpha and Omega); through our local Sun (Helios and Vesta); and into our planetary Star of Spiritual Freedom and every Permanent Atom thereon. ***Beloved Principa, God of Divine Order*** holds this Harmony and Balance for all these Cosmic levels of the Great Solar Disc. The ***Silent Watchers*** of the Galaxy, the Solar System and of our sweet Earth ...all have their Forcefields within the Great Solar Disc. Beloved Lady Circulata (Silent Watcher of this Solar System), Beloved Lady Immaculata (Silent Watcher of Earth) and their Legions, *are our hosts* in the Great Solar Disc.

The Seven reflects the Realms of Precipitation, Causation and Co-creation, containing *our personal Ascended and Free Temples*, from which our planetary Light Service is sourced. Similarly, the Twelve represents the Mystic Ring of Violet Fire and our Twelve-fold White Fire Being expressing through us from august levels of Cosmic Consciousness. The Three represents the Three-fold Flame just as it did in the 2017 Thoughtform, with the Sword of Blue Flame; Golden Aura of the Golden Robe; and Rose-pedaled Pulsating Pink

Sun transformed into the spiraling Triple Helix / Divine Axis. The transformative power of the Great Solar Disc is to *accelerate* the Energy, Vibration and Consciousness of each Three-fold Flame of Humanity ...and thus *initiate* all Seven Rays into Humanity's Consciousness upon her forehead, so that each individual fulfills their Seven-fold Holy Christ Self and thus *instantly aligns* with the Twelve-fold Solar Christ Self ...and thus, *One with the Mighty I AM Presence* ...all anchored within daily life.

Within the Great Solar Disc stands **Lady Liberty** within her Eternal Flame. Standing with her are the Feminine Archangels (Archaii) of all Twelve Solar Logi, Teachers of the Path of Solar Consciousness, expressing through the Twelve Golden Suns around the Great Solar Disc. The Goddess of Liberty is the Spirit of these Twelve Solar Houses delivering Celestial Liberty ...with Humanity liberated into her Solar Christ Self. The Land of Boundless Splendor and Infinite Light is the Land of Divine Liberty ...where we all find Divine Opportunity to become our True Identity and reveal the Infinite Splendor of its Radiant Light. Here, I AM truly Home in the Light!

And SO IT IS, BELOVED I AM!

AN INVOCATION and AFFIRMATION OF: RELEASE

Beloved Presence of Light; Beloved Presence of Love that permeates all Creation; I know I AM One with You! As I AM expanding my True Identity within the Great Solar Disc, I AM opening the doors of my consciousness to the Glory of the Higher Dimensions! As the Gathering of Ascended Humanity, I AM likewise opening the doors for our sweet Earth, all within your Presence of Light!

I AM a Divine Instrument of your Presence; your Light; and your Love! I *release* the use of my mind, so that I become this Divine Instrument ...accessing your Divine Guidance and Direction. I *release* the use of my emotional body, so as to be the Celestial Presence of your Divine Energies and Attributes. I *release* the use of my etheric body, to reflect the Patterns of Perfection from your Higher Dimensions. I *release* the use of my physical body to be the

Sacred Vessel through which all Divine Light may walk the Earth. From the Great Silence, I AM now receptive to your Voice, the ever-expanding Voice of my Heart. I AM listening and attending, and what I hear fills me with Joy and Harmony ...the Peace that surpasses all understanding! As I AM walking this Earth, serving my fellows beings, I AM radiating your Energy! Your Vibration touches others with hands of Love, reaching the very center of their heart. As they feel your Presence, *they elevate themselves* into a Higher Frequency of existence. They arise as the Resurrected Christ. They *remember* that we all are moving forward with your Divine Plan ...the Cosmic Moment *here and now* for the Kingdom of Heaven *made manifest on Earth!* After so many eons we have reached a Cosmic Momentum allowing for *Earth's permanent Ascension* into her Orbit of Divine Love, within the Great Cosmic Inbreath!

For this to become tangible to Humanity, I AM becoming empty of self on behalf of Humanity ...empty of the deceptions of the ego plane; empty of the illusions that prevent Humanity from 'a Vision' of what is REAL and TRUE. I AM *releasing* my illusions of self, time and space so as to have the TRUE AND REAL UNDERSTANDING OF MY BEING! I AM *releasing* personal wishes and desires of little self, so as to reach the Divine Desire to become more of my True Identity. I AM *releasing* my physical identity and all physical possessiveness. I AM *releasing* everything of self, so I can be truly empty of 'me' and be filled with my Divine Self, Divine Consciousness and an Eternal Life in the Light!

As I *release all*, my Soul becomes joyful and filled with peace! For I now move forward with the Divine Plan! This Plan is Perfection in every Dimension and Octave of expression. Ascended Mastery is my *True State of Being*, as has been expressed by all Great Beings before. Following their Path, I AM now expressing my Ascending Mastery in daily life. I affirm with all the power of my Being: no matter the external circumstances, no matter the situations, no matter the outer appearances, no matter the clouds that momentarily block the sun in life... I AM ASCENDED AND FREE! As Beloved Jesus has said: "For this I was borne, and for this I have come to the World" ...to bear witness of the Truth ...and the Truth is that Love... Love itself... a Love present in Me! I AM a Presence of Light and I AM here, there and everywhere present! Beloved Planet Earth, you are now Free in the Light!
